ABOUT THE COLLEGE

JSS Academy of Technical Education Noida (JSSATEN) is one of the leading Technical Institutions in the National Capital Region in the State of Uttar Pradesh. Established in the year 1998 by JSS Mahavidyapeetha, Noida, the Institution has set benchmarks every year, and grown into an Institution of Excellence in Technical Education. Located in the central part of NOIDA, JSSATEN has become a household name for its excellence in Discipline, Teaching, Training and Placement. The Institution has MOUs with Colorado Heights University, Denver, USA for student exchange program. IBM Centre of Excellence, Texas Instruments Centre of Excellence, Nokia Mobile Innovation Labs, e-Yantra - Embedded & Robotics Lab funded by MHRD under NMEICT, PLMCC, Schneider Electric Substation Automation Labs and Centre for Innovation & Design are additional facilities for the students to innovate new ideas. JSSATEN is proud to mention that it has created necessary manpower and infrastructure to implement **Outcome Based Education** from the year 2014-15. Today, JSSATEN has total student strength of over 4000, who are mentored by more than 250 Faculty Members. The Campus has finest accommodation for girls and boys. <http://jssaten.ac.in/>

ABOUT THE DEPARTMENT

Electronics Engineering Department stands tall amongst other branches of engineering disciplines. Commissioned in the year 1998, to offer graduate level programme in 'Electronics and Communication Engineering', the Department has seen remarkable growth in terms of quality of student intake, inclusion of post-graduate programme Advance Electronics and Communication with specialization in VLSI Design' from 2008, applauding achievements of the students during and after graduation, faculty specialization and upgradation in several domain areas and infrastructure to provide the latest technical lab facilities e.g. Texas Instruments Centre of excellence and e-Yantra Laboratory Setup Initiative (eLSI) –IIT Bombay are unique facilities for research and project work, Entuple center of Excellence in the area of Microelectronics under cadence university programme. Department has consistently maintained an exemplary placement and academic record. B. Tech programme of Electronics and Communication Engineering accredited (Outcome Based Education) for two years by NBA from 1st July 2015. NBA approval program is a proof that department is committed to confidence and assurance on quality to all stakeholders. Department has been identified as a research Centre in the field of electronics engineering for the technical university.

AIM AND SCOPE OF THE FDP

This FDP main objective is to provide access to innovative high frequency circuit, system and EM analysis technologies. Micro strip antenna is one of the most popular types of printed antenna in wireless communication system domain. This domain is the main backbone in driving ICT technologies DIGITAL INDIA initiatives.

In View of this, Department of Electronics and Communication Engineering providing a platform to faculty and research scholars to explore key enabling technology. This FDP will help to gain knowledge and skills in the micro strip antenna domain. By acquiring these skills, faculty members can contribute to transform the education sector with DIGITAL INDIA initiatives by creating knowledge based society.

COURSE CONTENTS

- Micro strip Antenna-Introduction.
- Antenna and Microwave component design using HFSS.
- Measurement of radiation pattern by using anechoic chamber.
- Introduction to high frequency devices.
- Multiple input Multiple Output Antennas.
- Ultra Wideband Antennas and LNA
- Meta-material Antenna.
- RF and Microwave circuit design using AWR-Microwave office.
- 5G Communication-Antennas
- Open research issues.

RESOURCE PERSONS

Eminent Professors and senior faculty members from IITs, IIITs, NITs, as well as experts from industries such as Anritsu Pvt. Ltd., Entuple Pvt.Ltd. and Envirotech Pvt.Ltd. will be engaging sessions during the workshop.

PARTICIPANTS

Faculty members of Engineering Colleges affiliated to AKTU and other Universities. Research scholars & PG students pursuing research / project work in this field.
