

# JSS CODECHEF CHAPTER

## Objective-

CodeChef Campus Chapter aims at promoting competitive programming in college and help students become better problem solvers which goes a long way in learning as well as in their career development.

## Description-

JSS CodeChef Campus Chapter “CodeAdda” was founded on 2<sup>nd</sup> of March, 2015 with the aim of creating awareness among the students for competitive programming so that they can write optimized and efficient code.

## Student Representatives-

- Taranjeet Singh
- Ritwik Jain
- Shivam Agarwal

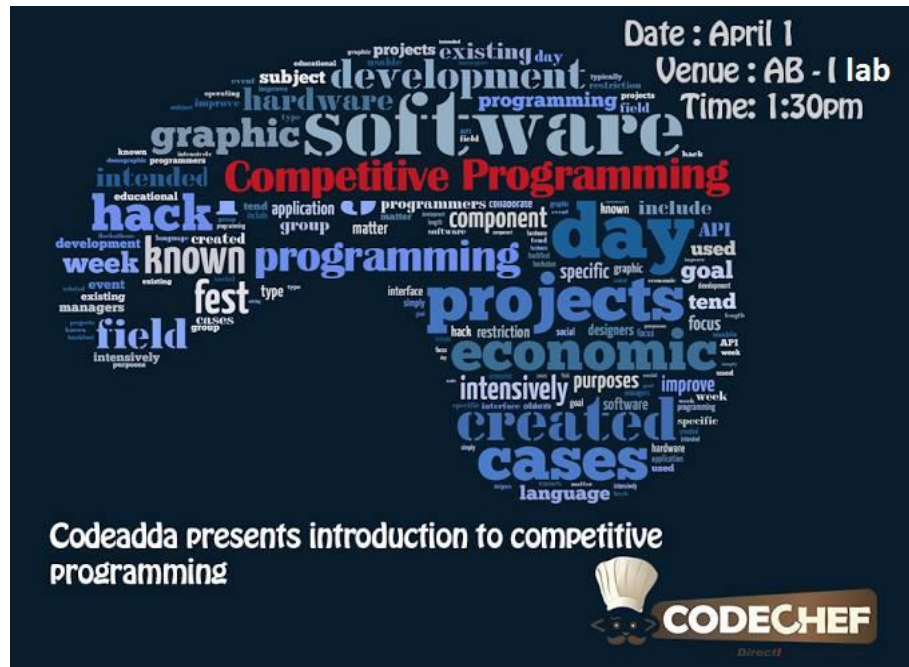

## Faculty Coordinator-

Ms. Sneha Dahiya

## Events-

- A coding event named “Codewars” was successfully organised with the participation of more than 20 teams.

- JSS CodeChef Campus Chapter conducted a workshop on “Introduction to Competitive Programming”. It was a great success. More than 70 students attended the workshop.

## Achievements-

- A team from our college got selected for onsite round of ACM ICPC and secured 51<sup>st</sup> rank.
- 2 teams from our college got selected for the onsite round of Delhi Coding League.
- After attending the workshop, the number of student’s registrations in CodeChef doubled in number.
