

Brief Summary

FDP on - Signal Processing & It's Applications, from 23rd to 28th April 2018

Sponsored by

Dr. A.P.J. Abdul Kalam Technical University, Lucknow

Organized by

Department of Electronics & Communication Engineering,
JSS Academy of Technical Education, Noida

The objective of this Faculty Development Program (FDP) is to discourse state-of-the-art developments and emerging techniques in signal processing application domains ranging from Biomedical Signal Processing, Audio/Speech Signal Processing and Signal Processing in Telecommunication and Hands-on Laboratory Sessions from Industry professionals.

This FDP aimed to encourage the participants to take up research in the area of signal processing; enhance the class room delivery of related subjects in this area run by the university and to encourage to take up innovations by faculty, research scholars and institute as a whole.

During these six days faculty development program, eminent speakers from IITs, NITs, Central government technical / research centers and field specific industry experts were invited to share their knowledge and expertise. Within a span of one week, ten informative technical talks and five hands on laboratory sessions by industry representatives were conducted. Total thirty-nine (39) participants representing the organizing institute as well as other technical institutes of Delhi NCR region were part of this program.

The inaugural session was presided by **Dr. G. M. Patil, Principal**, JSS Academy of Technical Education, Noida. **Dr. Ranganathiah, Director (A&A), JSS MVP, Mysuru** was the chief guest for the valedictory function held on Saturday 28th April 2018. After distribution of the certificates to the participants, the faculty development program concluded with Kulgeet followed by the National anthem. Overall feedback received from the participants was very positive and all of them have indicated their willingness to participate in such programs if organized in future.

Six days' FDP - Signal Processing & Its Applications, was inaugurated by our **Chief Guest Prof. G M Patil**, Principal, JSSATE, Noida on Monday, 23rd April 2018 at 9:30AM.

Dr. Ranganathiah, Director (A&A), JSSMVP, Mysuru was the chief guest for the FDP - - Signal Processing & Its Applications, valedictory session held on Saturday 28th April 2018 at 12.00PM.
