

Brief Summary

FDP on - Next Generation Nano Satellite Communication Systems

from 7th May to 11th May 2018

Sponsored by

Dr. A.P.J. Abdul Kalam Technical University, Lucknow

Organized by

Department of Electronics & Communication Engineering,
JSS Academy of Technical Education, Noida.

The objective of this Faculty Development Program (FDP) is to motivate the faculty participants of different colleges of AKTU to enhance the class room subject delivery and also to improve the research and innovation of faculty in the area of new trends of Satellite Communication systems. This one-week FDP on “Next Generation Nano Satellite Communication Systems” offered an expert view on availability of powerful, low cost and less weight communication processing systems for the development of Nano satellites for low altitude applications.

The inaugural session was presided by Ms. Chhaya Grover, Associate Professor, Program Coordinator on Monday, 7th May 2018. Dr. G. M. Patil, Principal, JSS Academy of Technical Education, Noida was the chief guest of the inaugural function.

During these five days faculty development program, eminent speakers from BEL, IITs, NITs, JNU, DRDO and Technical experts from industries were invited to share their knowledge and expertise. Within a span of one week, ten informative technical talks and five training sessions by industry representatives were conducted. Total forty-one (41) participants representing the organizing institute as well as other technical institutes from Delhi NCR region were registered for this program.

Chief Administrative officer Cmde B. K. Gupta was the chief guest for the valedictory session held on Friday, 11th May 2018. The certificates were distributed by the CAO sir and Prof. Sampath Kumar V, Head of the department of E & C to the participants. Faculty development program was concluded with the vote of thanks by Prof Sampath Kumar V. Overall feedback received from the participants was very positive and all of them have indicated their willingness to participate in such programs if organized in future.

Five days - Next Generation Nano Satellite Communication Systems,FDPwas inaugurated by our **Chief Guest Prof. G M Patil**, Principal, JSSATE, Noida on Monday, 7th May 2018 at 9:30AM.

Cmdr B. K. Gupta, CAO was the chief guest for the FDP - Next Generation Nano Satellite Communication Systems, valedictory session held on Friday,11th May 2018 at 3.00PM.
