To,  
Dr. G M Patil  
Principal  
JSS Academy of Technical Education  
Sector 62, Noida, Uttar Pradesh - 201301

Dear Sir,

I am happy to inform you that my daughter Ms. Shubhanjali Shrivastava (B.Tech.Electrical Engg.2019 batch) and Ms. Pranjali Shrivastava (B.Tech.Electronics Engg.2020 batch) are the alumni of your prestigious JSS Academy of Technical Education Noida and presently pursuing M.Tech. at IIT-Jodhpur.

As a guardian and Professor in IIT (BHU), I had visualized the teaching and learning of JSS Academy and observed the excellence in teaching learning process very closely, that is not less than CFTIs.

The quality education provided at JSSATE helps students to overcome their fear in both technical and non technical area. The environment of JSS academy is so fresh and optimistic that reduces the stress of the each member of JSS family. The discipline maintained in the campus and hostel helps students to stay safe alongwith all around development. The encouragement that every student gets from college helps them to be enthusiastic for their future goal and in life.

On the academic point of view, the Library of JSS has good collection of books, journals, reports, and dissertation. As per the information provided by Alumni (my daughters), the Library has good collections of book, around 134 international and national journals/magazines. In addition, it has five online full text databases of IEEE, ASME, ASCE, Science Direct, Springer, and EBSCO which contains more than 2795+ International e-journals and more than 10000 company profiles and business publications that extend the benefit of the faculty and research community. Apart from subscribed resources more than 5000 E-books which are open sources in engineering field is also available. Electronics resources can be accessed within the campus on wire and wireless medium. The departments have their visions and mission and can be reflected well through regular conducting labs. Thus students get practical and theory knowledge of their field and can applied in different engineering application.

In this Corona Pandemic, JSS Academy had set an excellent example of online teaching and respective evaluation. The online teaching and hardship of JSSATE teachers is commendable.

Therefore, I have no hesitation to mark JSSATE, Noida as one of the best institution in U.P as it nourishes student and make them capable to take right decision for their life with the help of talented and supportive teachers .

Prof. Sushant Kumar Shrivastava
